Brief Description of HL No. 020

This item has a short neck that transitions to broad shoulders, a slender body and a short, rounded foot. Its rim is small and folded. The piece features a high profile, a texture that's thick and hard, and a smooth glaze of blue and white. The shoulders are lavishly embellished with patterns of jewelry and entangled lotus branches. The pattern is well arranged. The body, the dual circles of the rim, and the foot are gilded. The remainder of the vase is rendered in a thick blue-and-white glaze that carries a soft gleam. The verdant color, too, is gorgeous and penetrating, like a timeless painting.
